

WCFR is in the same boat as most all other businesses, with regards to the effects of the recession. To date, looking at our proposed budget, we are WAY down in donations, both financial and in-kind. Below is an "on-going needs" list; which if we do not need to purchase these items we make great strides toward meeting the budget.

If any of it touches your desire/ability to help, please consider donating what you can. Just bring it to the restaurant at your convenience. We are staffed 8:30-4:00 Monday thru Friday. Any donation has value to us!!! Thank you in advance.
